The previews from the session must be processed before viewing. The previews will be printed to a "4x5" crop & ready to view approximately two weeks following the session.

Ordering information will also be given with the preview book.

The preview book may be removed from the studio with a deposit.

Previews may be returned with an order in 30 days. The deposit will go towards purchases.

If the preview book is not returned with an order in 30 days of receipt, the book cannot be returned & becomes the purchase of the customer.
